## Invacare IVC Tracer EX2

The Invacare IVC Tracer EX2 wheelchair sets the new standard in manual wheelchairs. The Tracer EX2 combines the design and technology of the Invacare 9000 series and incorporates it into the Invacare Tracer series. A true dual axle position allows for repositioning the 24" rear wheels and 8" casters for adult and hemi seat-to-floor heights. Offset permanent arms offer full seat width up to 20" with a permanent arm, hemi spaced footrest and full range of accessories. Weight Capacity 250 lbs.

The EX2 design also makes it possible to interchange components with the 9000 series chairs.

- Durable, low-maintenance, carbon steel frame is long-lasting
- Dual axle positions allow variation of seat-to-floor heights
- Offset permanent arms available in 18" and 20" widths
- 14-gauge crossbraces add strength and durability
- Urethane rear tires mounted on "no flex" wheels offer superior performance
- Low-maintenance, dual-sealed precision bearings
- Heavy-duty inner liners keep seat and back from stretching
- Flame-retardant upholstery resists mildew and bacteria, as well as cold-crack and UV damage
- Upholstery is dual-embossed

## Invacare IVC Tracer SX5

The Invacare IVC Tracer SX5 lightweight frame weighs less than 36 pounds, which makes this chair perfect for rental and long- or short-term use. The Tracer SX5 now combines the design and technology of the 9000 series wheelchairs, making it possible to interchange components. The Tracer SX5 offers multiple seat widths, arm styles, sectional back and seat-to-floor heights by utilizing the dual axle position frame base. The 20" and 22" widths include a semi-pneumatic caster and chrome handrim to accommodate a weight capacity of 300 lb.

Durable, low-maintenance, carbon steel frame is long-lasting  
 Dual axle positions allow variation of seat-to-floor heights  
 14-gauge crossbraces add strength and durability  
 Urethane rear tires mounted on "no flex" wheels offer superior performance  
 Sectional back available in 16" and 18" back heights  
 Low-maintenance, dual-sealed precision bearings  
 Heavy-duty inner liners keep seat and back from stretching  
 Flame-retardant upholstery resists mildew and bacteria, as well as cold-crack and UV damage  
 Meets RESNA standards for manual wheelchairs in product performance.

## Invacare 9000 SL

The Invacare 9000 SL Wheelchair is the perfect high-strength lightweight rental product for those who want quality and durability at a moderate price. This low-maintenance wheelchair also has a full complement of options and accessories. Its contemporary design and high-performance frame make the 9000 SL wheelchair a superior value.

Stylish, contemporary carbon steel frame is long-lasting. Multiple frame color variations for customizing.  
 Dual axle positions allow variations of seat-to-floor heights.  
 Urethane rear tires mounted on "no flex" wheels offer superior performance.  
 Urethane casters for better ride and lighter weight. Low-maintenance, dual-sealed precision bearings.  
 Heavy-duty inner liners keep seat and back from stretching.  
 Space-saver arms reduce overall frame width without limiting seat width.  
 Meets RESNA standards for manual wheelchairs in product performance.

## Invacare IVC 9000 Topaz

The Invacare IVC 9000 Topaz wheelchair is designed specifically to suit the unique needs of bariatric patients. The Topaz combines the strength and durability of a triple chrome-plated, carbon steel frame with the comfort of heavy-duty front riggings and arms for proper positioning. With a variety of seat widths and depths, frame reinforcements that include gusseted sides, caster journals and dual heavy-duty crossbraces, this chair provides not only ease in maneuverability but stability that will be trusted for years to come.

Available in vinyl or nylon upholstery  
 Durable low-maintenance, triple chrome-plated, carbon steel frame is long-lasting  
 Reinforced frame includes gusseted sides, caster journals and dual heavy-duty crossbraces  
 Multiple frame color variations available for customizing  
 Heavy-duty front riggings provide proper positioning for feet with footrest and elevating legrest  
 Heavy-duty arms designed to accommodate weight capacity and provide proper positioning  
 Dual axle positions allow for quick and simple seat-to-floor height variations, 17.5" and 19.5"  
 700 lb. weight capacity  
 HDPG option for 1,000 lb. weight capacity  
 Heavy-duty triple inner liners keep seat and back from stretching  
 Flame-retardant upholstery resists mildew and bacteria, as well as cold-crack and UV damage

# GERI CHAIRS

## Lumex 574 Three-Position Recliner

The Standard of the Industry and the recliner that started it all! This first recliner specifically designed to improve the comfort and mobility of residents in extended care facilities. The Lumex Three Position Recliner easily adjusts into any one of three positions: sitting, TV or full recline. Recliners offer numerous therapeutic benefits including position changes that can aid in circulation and ease discomfort from respiratory, heart and other ailments. A position lock allows only the caregiver to secure the chair in any one of the three easily attained positions. Recliner encourages natural relaxation and improved blood circulation.

Flex-o-Lator seat support system increases comfort by reducing the risk of "bottoming out".

Ergonomically designed seat and back with varied density foam construction provides correct support. Articulating headrest quickly adjusts to Maximize individual comfort requirements.

For safer, easier transport, the Lumex Three Position Recliner features two, four inch swivel casters with wheel locks and four inch fixed front wheels.

The molded activity table can be fixed in position or left unsecured for easy exit from the recliner.

Durable welded steel epoxy coated frame is easy to clean and maintain.

Weight Bearing Capacity: 250 pounds.

## Lumex 565 Preferred Care® Recliners

The Lumex 565 Patented recline mechanism allows for infinite positioning of recline. Reduced armrest and seat height enables the recliner to fit under dining/activity tables and allows resident to "scoot" and more easily reposition chair by themselves. Four swivel casters with two rear locking casters enable the Preferred Care Recliner to be easily maneuvered in small spaces and moved down hallways.

**Lumex Wrap-Around Warranty**

**Welded Frame:** Limited Lifetime

**Upholstery:** Limited One Year

**All Other Components:** Limited Three Year

**Weight Capacity:** 250 lbs.

Infinite recliner back patented mechanism provides infinite positioning of the back, ranging from 95 degrees to 145 degrees for increased resident comfort and pressure relief. The reclining back can be locked in any position by the caregiver.

A unique suspension system self-adjusts to each person, cradling the resident from head to heel and virtually eliminating the risk of "bottoming out".

Extra-wide padded armrests and side panels maximize comfort.

Durable epoxy coated welded steel frame is easy to clean and maintain.

Quick-release upholstery allows for easy cleaning, removal and replacements.

Vinyl upholstered back is sulfide stain, mildew and oil resistant.

A variety of accessories are available to customize the chair for specific individual needs.

# MATTRESSES

## Gravity 7 Long Term Care Pressure Redistribution Mattress

Multi-layered, high density foam provides optimal pressure redistribution. The ultra soft heel section is uniquely designed to provide extremely low skin interface pressure. The mattress cover is a 2-way stretch, water resistant, vapor permeable nylon. The cover provides a low moisture transmission rate (MVT) which keeps the patient cool and dry. Optional firm side rails help the patient transfer in and out of bed minimizing the risk of falling. Meets fire code 1633. 300 lb weight capacity. Limited 7 Year Warranty.

ITEM	DESCRIPTION	PRICE
15770	Gravity 7 Mattress 80" x 36" x 6"	\$ 175.00

15876	Gravity 7 Mattress 76" x 36" x 6"	\$ 175.00
15877	Gravity 7 Mattress 76" x 36" x 6" W/Raised Siderails	\$ 195.00

## Gravity 8 Deluxe Long Term Care Pressure Redistribution Mattress

Outstanding combination of multi-layered die-cut and memory foam available with or without raised side rails. Mattress includes a 6" to 5" heel slope and a "channel cut" center layer of foam under the foot section to target heel ulcer prevention. Top layer uses unique die-cutting and a true memory foam heel section to optimize zoned pressure redistribution. Bottom layer provides full length horizontally scored articulation cuts extending the durability and life of the mattress significantly. Cover is fire retardant, fluid proof, tear resistant, low shear, and easy to clean. 1 year warranty on the cover. Limited 10 year warranty.

ITEM	DESCRIPTION	PRICE
15870	Gravity 8 Mattress 80" x 36" x 6"	\$ 205.00
15888	Gravity 8 Mattress 80" x 36" x 6" W/Raised Siderails	\$ 225.00

15887	Gravity 8 Mattress 80" x 36" x 6" W/Raised Siderails	\$ 225.00

## Defined Perimeter Mattress Cover

The Defined Perimeter Mattress Cover creates a raised rail, defined perimeter for enhanced fall prevention, without using patient restraints. Open in mid-section for safe and easy patient egress and ingress. Built-in medium density foam bolsters safely and comfortably define edges of bed for patient and prevent falling. Easy to install and secure. Breathable Nylon makes this a truly universal cover, compatible with both foam and powered air surfaces.

ITEM	DESCRIPTION	PRICE
14333	Defined Perimeter Mattress Cover Fits Mattresses 6"-8" H x 34"-39" W x 80" L	\$ 115.00

## Med-Aire Alternating Pressure/ Low Air Loss Mattress

This combination therapy overlay system provides both alternating pressure and low air loss to optimize pressure redistribution and manage skin maceration. Designed to prevent, treat and manage pressure ulcers in the home, long term care, or acute care setting. 2-way stretch cover is low sheer, fluid resistant, vapor permeable, quilted and zippered. Each one of the 20, 8" deep air bladders are easily removed and replaced. Pillow function maintains the 3 air cells at the head of the bed in static mode for patient comfort. 350 lb weight capacity. CPR valve allows for rapid deflation.

ITEM	DESCRIPTION	PRICE
14027	Med-Aire Mattress 350 Lb. Capacity	\$ 550.00

## Med-Aire Alternating Pressure/ Low Air Loss Mattress

This combination therapy overlay system provides both alternating pressure and low air loss to optimize pressure redistribution and manage skin maceration. Designed to prevent, treat and manage pressure ulcers in the home, long term care, or acute care setting. Cell-on-cell design of 8" deep air cells prevents "bottoming out" and also provides up to 24 hours of power outage protection. Digital pump allows for customization to individual patients' comfort and safety needs, and will auto return to alternating pressure mode if system is left on static mode for > 2 hours. 4-way stretch cover is low sheer, fluid resistant, vapor permeable, quilted and zippered. Each one of the 20, 8" deep air bladders are easily removed and replaced. Pillow function maintains the 3 air cells at the head of the bed in static mode for patient comfort. 3 diagnostic alarms tell you whether a problem is with the mattress or the pump for more efficient servicing. 450 lb weight capacity. CPR valve allows for rapid deflation.

ITEM	DESCRIPTION	PRICE
14029	Med-Aire Mattress 450 Lb. Capacity	\$ 945.00

## Med-Aire Plus 10" Bariatric Alternating Pressure Mattress Replacement System

This bariatric system provides alternating pressure to optimize pressure redistribution for patients with up to Stage IV pressure ulcers. Cell-on-cell design of 10" deep air cells prevents "bottoming out" and also provides up to 24 hours of power outage protection. Digital pump allows for customization to individual patients' comfort and safety needs, and will auto-return to alternating pressure mode if system is left on static mode for >2 hours. 4-way stretch cover is low sheer, fluid-resistant, vapor permeable, quilted and zippered. Each one of the 20, 10" deep air bladders are easily removed and replaced. Pillow function maintains the 3 air cells at the head of the bed in static mode for patient comfort. 3 diagnostic alarms tell you whether a problem is with the mattress or the pump for more efficient servicing. CPR valve allows for rapid deflation.

## Invacare Reliant 350 Stand-Up Lift

Adjustable pivoting leg support features a soft pad with lateral contour that secures legs in three positions. Wide non-slip footplate provides stable base for transfer. Ergonomic features make it ideal for toilet transfers, as well as for dependent and rehabilitation purposes. Features include fast, simple sling attachment that protects against accidental disengagement. Wide push handle; good access for clothing removal; and comfortable slings with extended back support. Prevents pressure in the axilla area. Innovative adjustment features adapt to a wide variety of body sizes and shapes. That means comfort at any height, width and weight range up to 350 lb. Multifunction slings allow for quick toileting, stand assist or full-support seated transfer. Adjustable leg strap option secures leg against knee pad for optimum positioning on footplate. Warranty includes three years on lift, one year on electric components. Under-bed clearance of 4.5 in. allows accessibility to most nursing home, hospital and home care bed styles. Removable battery eliminates downtime.

## Lumex Stand Assist Patient Transport

The Lumex Stand Assist is a transport assistance unit. Keeps the resident actively engaged in the transport process. Transport functions of all kinds are quick, convenient, and require minimal caregiver assistance. Users grasp the middle bar and use their own strength to pull themselves up into position. The Stand Assist is a convenient toileting alternative to a wheelchair. 400 lb safe working load. Padded dual knee pads and seat pads for comfortable transport. Stable base with locking rear casters. A padded split seat swings out to allow loading or unloading, then swings back to form a comfortable and stable transport seat. Fits easily through narrow doorways. Affordable alternative to electric sit-to-stand lifts.  
*Note: The Lumex Stand Assist is designed for residents who have the strength and stability to lift and support themselves. We recommend an electric sit-to-stand lift for residents with limited strength and stability.*

ITEM	DESCRIPTION	PRICE
LF1600	Stand Assist Patient Transport	\$ 545.00

## Lumex Digital Patient Lift Scale

Digital scale easily attaches to Lumex Patient Lifts. Fits Models LF1030, LF1030CH & LF1040 Completely self-contained. ITEM	DESCRIPTION	PRICE
14700	Bedside Fall Mat 72" x 30" x 2"	\$ 59.00

## Safety Beveled Edge Solid One-Piece EVA Fall Mat

The Safety Care fall mats are constructed from the highest quality high density EVA compressed foam designed to provide a safe environment for patients at high risk of falling out of bed. EVA (Ethylene-vinyl acetate) is a revolutionary foam with rubber like qualities used in the manufacturing of various products such as running shoes, orthotics and sporting goods. EVA is resistant to moisture and stress cracking making it a very durable material to absorb and redirect impact forces during a fall. The mats have tapered beveled edges allowing equipment to roll over with ease along with a non slip bottom to keep the mat secure and help prevent accidental tripping. The solid core design is easy to clean and is anti bacterial to avoid cross contamination between various patient rooms.

ITEM	DESCRIPTION	PRICE
14702-BL	Bedside Fall Mat Blue 68" x 30" x 1"	\$ 129.00
14702-GY	Bedside Fall Mat Gray 68" x 30" x 1"	\$ 129.00

## Defined Perimeter Mattress Cover

The Defined Perimeter Mattress Cover creates a raised rail, defined perimeter for enhanced fall prevention, without using patient restraints. Open in mid-section for safe and easy patient egress and ingress. Built-in medium density foam bolsters safely and comfortably define edges of bed for patient and prevent falling. Easy to install and secure. Breathable Nylon makes this a truly universal cover, compatible with both foam and powered air surfaces.

ITEM	DESCRIPTION	PRICE
14333	Defined Perimeter Mattress Cover Fits Mattresses 6"-8" H x 34"-39" W x 80" L	\$ 115.00

## Clean Remote

The Clean Remote has tested to be 99% cleaner than standard remotes. - In several studies, TV remotes have been revealed to be a leading carrier of bacteria in a patient's room. **Not only are they handled continuously throughout the day by patients, but remotes are also handled by staff and visitors.** Standard remotes and nurse call pillow remotes contain many cracks and crevices, which make it impossible to properly disinfect.

ITEM	DESCRIPTION	PRICE
CR1E	Clean Remote	\$ 11.95
CR1	Case Clean Remote 25/ Cs	\$ 245.00
