Purpose

The double layer clear vinyl holder conveniently stores thirty-six 3x5 index cards. The instructor can display, pictures, numbers, names and instructions. Artwork can also be cutout in a 3x5 format and inserted into the pockets. This wall pocket can be mounted with screws, nails or with the provided Velcro.

Important Safety Precaution

Mount the holder on the wall or board with three screws or nails that are inserted in the grommet holes. The wall pocket can also be mounted with the adhesive back Velcro. It is recommended that the wall location be marked prior to adhering the Velcro to the wall. Insert the artwork into the pockets without putting unnecessary pressure on the vinyl pockets.

Easy Care

The vinyl wall pocket is heat sealed and can be cleaned with a mild disinfectant.
